You are invited!

Dear Friends,

The Bismarck-Mandan League of Women Voters and Dakota Media Access share a common mission: "To Support and encourage the INFORMED participation of all citizens in our governmental processes." This means helping provide a means for everyone to learn more, to become informed, but not indoctrinated, locally, regionally and nationally in who, how, when, where and why our city, state and county really work, so we can help democracy serve all our US citizens better.

- Do you want to be part of the solution and not part of the problem?
- Do you find yourself more often thinking, "yeah, but . . . it's more complicated than that!" regardless of your political party or persuasion?
- Would you like to be involved, but not have a huge responsibility that could take over all your free time and your life?

If any of this fits you, we have an invitation. Stop by the Dakota Media Access Studios, located at 307 North 4th Street in Bismarck, between 11:00 am and 2:00 pm on Wednesday, August 15th, to meet some of the current members, ask questions and find out where you could fit in. We will be providing a light lunch of sandwiches and salad.

We hope you can join us! If you can't and still would like to be part of the solution, we have enclosed a membership application for you to return. Please feel free to find out more about us (LWV) on our websites: <http://www.lwv.org/> and <http://www.lwvnd.org/> or contact us.
